# SUZUKA® GRANI MULTICOLOR

# ABOUT US

Suzuka® Malaysia – belonging to the Suzuka® Group, which holds manufacturing companies in Taiwan, Malaysia and Thailand – is one of Malaysia's leading manufacturers in decorative building materials. Specializing in a wide range of stone veneers, waterproofing materials, and texture coatings, we offer durable and versatile products that are suitable for decorating both interiors and exteriors of homes and commercial buildings.

Not only do our products cater to buildings of various aesthetics and designs, but they also exceed international quality and safety standards. Armed with protection against UV damage, water seepage, dust, dirt and stains, we lower potential maintenance costs in the future. In addition to being an ISO 9001 certified company, we also carry a selection of SIRIM QAS certified products and a range of environmentally-friendly products certified by Singapore Green Label and SIRIM Eco Label.

Within the past decade, we've become an international supplier to number of regions, including Australia, Saudi Arabia, Thailand, Cambodia, Qatar, the United Arab Emirates, Bahrain, Indonesia, Singapore, and West Africa.

To experience why Suzuka® products are trusted around the world, choose from our extensive range of coatings and artificial stone veneers.

## SUZUKA® GRANI MULTICOLOR

SGM uses high-performance and environmentally-friendly technology. Its water-based coating packages itself into individual capsules, allowing each to contain its own unique formula and colour. This creates a one-time multi-colour spray system that is not only durable, but also effective in mirroring the authentic granite texture.

## SGM vs. REAL GRANITE

FACTORS	SGM	REAL GRANITE
Installation Time	Quick	Slow
Installation Ease	Simple	Difficult and requires extensive set-up
Installation Cost	Economical	Expensive
Material Cost	Economical	Expensive
Colour Control	Yes	No
Environmental-Friendliness	Non-invasive & water-based	Environmentally invasive
Safety	No risk	Risk of loosened stones falling
Customization	Yes	No
Maintenance	Economical and simple	Requires replacement and colour matching

### ADVANTAGES

- One-time, multi-colour spray system
- Colours and patterns can be customized
- Resistant to stains, fungus, algae, acid and alkali
- Washable and easy to maintain
- High adhesion and anti-peeling/flaking
- Superb elasticity and is crack resistant
- Water-based and eco-friendly
- Excellent durability against weather conditions
